How to open your album

1. Scan the code to get Lumo. It’s free on iPhone, iPad and Android.
2. Open Lumo and tap “Use an invite or code”, then “Enter a code”.
3. Sign in and type the family code below. We’ll let you in, and the photos are waiting.

FAMILY ALBUM

FAMILY CODE

Only the family can see it. No ads, nothing public.

A PRESENT FOR YOU

We made you a family album

This year’s photos are already inside. New ones arrive whenever the family adds them.

To _____

From _____

Lumo

Print at 100% on card. Cut along the outer line and fold in the middle. The inside is for your message.
