LUMO FAMILY ALBUM

How to join your family's album

Your family has invited you to their private photo album. Only the people in it can see the photos.

Our family album _____

Family code ☐ ☐ ☐ ☐

If you get stuck, ask _____ **Phone** _____

1. Open Lumo, or go to **app.lumomagic.com** in the web browser. Nothing to install.
2. At the bottom, tap "**Use an invite or code**".
3. Tap "**Enter a code**".
4. Sign in: "**Continue with Apple**", "**Continue with Google**" or "**Use email instead**".
5. Type the 4 digits from the box above, and your name. Tap "**Ask to join**".
6. You see "**Request sent**". The album opens once the family lets you in.

Got a link instead? Tap it, then "**Continue in your browser**", and sign in.

Open Lumo in the browser
